Window Sills/Lintels & Steps

Firehearth & Fireplaces

ABOUT US

We have been quarrying and supplying Flagstone to the Irish market and abroad for many years.

Liscannor Flagstone has a diverse range of uses.

We supply Wall Capping and Building Stone which is ideal for facing houses, garden walls or creating a stone entrance.

Our Sawn Flagstone is used for patios and garden walkways or internally as flooring to give a traditional look whether it's a pub or a cottage.

Using your dimensions we can supply exactly what you require and cut stone to your specifications. We custom make Window Cills, Lintels, Aches, and Door Steps. Fire Hearths and Stone bases for Stoves have also proved to be extremely popular.

We can turn around orders in a relatively short lead-time and also offer a nationwide delivery service.

We hope that the many pictures of our products will give you an idea of what we can offer and we would be delighted to assist you if you wish to find out more about our stone and stone products.

Based in Rockmount, Miltown Malbay, our Flagstone Quarries have been supplying stone from the west coast of County Clare for many decades. In that time our product line has grown to include Sawn Flagstone, Stone Paving, Fireplaces, Fire Hearths, Building Stone, Pier & Wall Capping, Window Cills, Lintels and Door Steps.

Over the years we have been involved with a wide range of projects such as commercial, residential, conservation works to private houses. From the very initial consultation phase of the project to the completion we are available to provide you with advice and stone to meet your requirements.

BUILDING STONE

Liscannor Flagstone is ideal for facing buildings, boundary and garden walls. The building stone can be sold in two ways. It can come with a guillotined finish on pallets or we can also supply by the lorry load. We quarry our own supply of Building Stone which has been used in the construction of Commercial Buildings, Private Houses & Entrances throughout the country.

PIERS & WALL CAPPING

Piers and Wall Capping can be used to great effect to enhance the appearance of an entrance to a building. We can supply and deliver a superbly crafted finish. Our Flagstone Wall Capping can be cut to specification whatever the width of the wall.

WINDOW SILLS/LINTELS & STEPS

We supply Window cills, Lintels, Chimney Caps, Plinths, Steps & Arches. All orders are cut to specification. We combine traditional skills with modern technology to give a superbly crafted finish.

FIREHEARTH & FIREPLACES

At our Workshop we create natural stone Fireplaces and fire surrounds from Flagstone. Using your dimensions we can cut to spec and design the Fireplace to suit your home.

Our Firehearths and Mantles have proven very popular, especially as bases for stoves which we supply nationwide.

STONE PAVING

Natural Flagstone Paving gives an elegant and long lasting finish to paths and garden walkways. Flagstone is very traditional looking and is instantly recognisable by the fossils which run throughout the stone. It is blue/grey in colour and can be orders in a number of sizes, sawn random sizes, standard widths or irregular sizes.

Aside from outside uses, Flagstone floors can be seen in many pubs throughout the West coast and also very popular in country cottages.
